

MEMORANDUM

TO: University of Findlay Community
FROM: Office of Accommodation and Inclusion and
Office of Human Resources
RE: Request for Accommodations
DATE: February 21, 2025

In an effort to better serve the needs of an employee with a disability e.g. permanent or temporary, the following steps have been put in place to request accommodations. Please follow these steps so that we can ensure proper accommodation has been made in a timely manner.

1. Contact the Office of Human Resources to complete the appropriate paperwork through an appointment with the Human Resources Manager. In addition, under the Americans with Disabilities Act (ADA), any information given to a supervisor regarding an accommodation an employee might need is considered a request and should be forwarded to the Office of Human Resources.
2. Provide the necessary medical documentation to support your request for accommodations.
3. After reviewing, the Human Resources Manager will forward your paperwork along with your documentation to the Director of Accommodation and Academic Support Center for evaluation. The Director of Accommodation and Academic Support Center will make a determination regarding the accommodation and will collaborate with the appropriate personnel to arrange for further accommodations.
4. The Human Resources Manager and the Director of Accommodation and Academic Support Center will meet with the employee to discuss the accommodation and present a timeline for putting it in place, if necessary.
5. Details of the conditions and accommodations will be reevaluated at appropriate intervals to be sure the condition still exists and the accommodation is appropriate.

For more information on the University of Findlay's Americans with Disabilities Act Policy Statement go to Workday, in the Search Word type Employee Handbook, advance to the Table of Contents and search for the **Americans with Disabilities Act Policy Statement**.

Thank you.

The complaint should be in writing and contain information about the alleged discrimination such as name, address, phone number of complainant and location, date, and description of the problem. Alternative means of filing complaints, such as personal interviews or a tape recording of the complaint will be made available for persons with disabilities upon request.

The complaint should be submitted by the grievant and/or his/her designee as soon as possible but no later than 60 calendar days after the alleged violation to:

Office of Human Resources, Vice President of Human Resources
