## Youth Horsemanship Schools

University of Findlay is presenting Youth Western Horsemanship Schools to further educate interested riders.

### Students will also learn about

- Horsemanship
- Trail
- Western Pleasure
- Training Techniques
- Ranch Riding
- Reining Fundamentals
- Showmanship

Each student will work with their own horse under the personal supervision of the equestrian staff.

Lectures and demonstrations will be given daily to enhance each student's skills.

Along with the individual and class instruction, there will be evening video analysis to review each rider's progress.

Outside of the barn, students will also participate in recreational activities around University of Findlay's campus.

### Follow Your Dreams

The youth horsemanship schools help you to become a better rider. You will learn and apply training techniques that will help make you and your horse more competitive in any discipline you choose. These techniques coincide with what is taught in the University's Western Equestrian Studies Program.

When you are ready for college, you too can be a part of this amazing program.

While attending this camp, you will meet new friends, have a great experience with your horse, and create memories that will last a lifetime.

Applications are processed on a first-come, first-served basis, with limited enrollment. Upon acceptance, a confirmation letter will be sent with further details.

### In Memoriam

**Clark Bradley** was the quintessential horseman, showman, instructor, and mentor to so many people. We are honored to have ridden beside him, to have learned from him, and we are forever changed for knowing him.

Clark founded the UF Western Youth Horsemanship School in the fall of 1977. He was an instructor in the UF Western Equestrian Program for 23 years and had also helped coach the UF IHSA Western Equestrian Team. He graduated from the Ranch Management Program at Texas Christian University and also served in the U.S. Marine Corp. Clark trained horses for over 40 years.

We thank Clark for making all of us better people. His legacy will live on in the graduates and future graduates of our program.

**"The mediocre teacher tells. The good teacher explains. The superior teacher demonstrates. The great teacher inspires."** William Arthur Ward
